

Return to Play Protocols

Phase 3

Boissevain Agricultural Arena

(Effective October 15th, 2020)

The Municipality of Boissevain-Morton understands that there is concern regarding the current Covid-19 virus and the potential impact on all sport programming. We share your concern and have taken measures in our facility to ensure the health and safety of our user groups and staff. At this time, the arena will be accessible to pre-arranged bookings only, and spectators will be limited.

Guidelines for facility users:

- All facility users are required to complete the self-screening questionnaire prior to arrival. The self-screening questionnaire can be found at <https://sharedhealthmb.ca/covid19/screening-tool/>
- If you do not pass the self-screening or are showing any symptoms of Covid-19, please stay home.
- Allow physical distancing of two meters (6ft) at all times; except brief exchanges or when you are on the ice surface.
- Avoid congregating in shared areas such as the lobby of the facility.
- Use hand sanitizer when you enter and exit the building. Hand Sanitizer is provided.
- Follow all entrance and exit guidelines. Direction arrows and signage have been placed throughout the facility.
- Coaches/Instructors/Participants/Spectators must adhere to all current guidelines as outlined by the Province of Manitoba's Restoring Safe Services Guidelines, as well as each user groups Provincial Sport Association guidelines (if applicable).
- Each user group must have a Communications Officer present at the entrance of the facility. (See Communications Officer section for job responsibilities).
- Showers are not available at this time.
- Dryland training is not permitted in the facility.
- Participants are encouraged to come fully dressed (if applicable).
- Any and all user groups are responsible for providing their own insurance coverage. If you do not have insurance, you will be required to sign a release of liability form provided by the Municipality of Boissevain-Morton.

Flow of People and Physical Distancing

- **Entering the building**
 - Participants/Parents/Spectators must enter the building no more than 15 minutes before their scheduled ice time.
 - Upon arrival, every individual entering the building is to use the hand sanitizer located at the entrance and must sign in with their group's assigned Communications Officer.
 - Participants are to go directly to their assigned dressing rooms. Parents/Spectators are to go directly to the lobby unless helping a child with their equipment. (1 parent or caregiver per child only).
 - Once you are in the facility, please follow the directional arrows placed around the facility and follow all social distancing guidelines.
 - Facemasks are to be worn at all times unless you are on the ice surface. (This includes in the dressing rooms, and for coaches on the bench).
- **Exiting the building**
 - Participants must exit the building 15 minutes after their scheduled ice time ends.
 - Anyone in the dressing room hallway will exit out the west door located by Dressing Room #4.
 - Anyone in the lobby must exit out the front doors following all directional arrows to control the flow of traffic.
 - All skates/equipment are to be removed from the facility. At no time will it be permitted for user groups to leave their equipment overnight.
- **Care and Control**
 - All dressing rooms will be sanitized between uses by the Facility Operator.
 - Each user group will be responsible for wiping down the inside bleachers in the lobby if they have used them.
 - Outside bleachers will be cleaned and sanitized at the end of each day and during any additional down time in the arena.
 - The outside bleachers will be available during games only, and are not to be used during practices.
 - Washrooms will be cleaned and sanitized each day.
 - All commonly touched surfaces will be sanitized between uses by the Facility Operator.
 - There will be access to sanitizer in multiple areas throughout the facility, including all entrances and exits, in the lobby, down the dressing room hallway and near the outdoor bleachers.
 - If additional sanitization is desired, user groups are welcome to do so with their own supplies during their designated ice time.

- **Communications Officer**
 - Each user group will appoint a Communications Officer who will be responsible to ensure all updated and relevant public health information is passed on to everyone within their jurisdiction. They will be responsible for ensuring teams are following the Return to Play guidelines from Hockey Manitoba and any additional guidelines specific to our Municipality. They will be required to track attendance at all practices, games, and team events and ensure any Covid-19 cases are reported as required by the Provincial Health Authority.
- **Capacities**
