Example of a community donor wall.

Upon completion of the pool, a permanent community donor wall display will be installed in the pool's main lobby as a tribute to all donors of the Boissevain-Morton Aquatic Centre.

Friends of the Pool will receive

- Donor name on community wall display
- A charitable tax receipt
- Social media recognition prior to opening
- Pool-side signage recognizing all donors

*Every contribution helps make
the new Aquatic Centre a reality.*

We need your help!

Boissevain-Morton Swimming Pool is a key community facility for residents and visitors alike, providing structured programming and leisure opportunities.

The average life span of an outdoor pool is 29 years; currently the Boissevain Pool is 58 years old - built in 1965. Manitoba's public health department declared 2022 was the final season of Boissevain Pool.

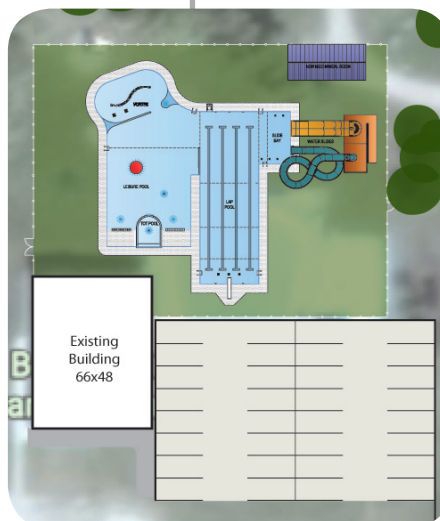

Initially, the proposed cost for a new pool was \$2.2 million, which the Municipality of Boissevain-Morton was prepared to pay for, with no borrowing, over two years through General Reserves.

Originally, a phased approach to pool building and campground upgrades was planned, and was based on securing grant funding. Due to public health regulations, significant upgrades to the pool building are required prior to opening. To create space for these requirements, a stand alone mechanical building for the pool and new washroom/shower facilities for the campground are needed.

The Municipality has received funding through the province's Building Sustainable Communities funding towards the new pool. As a requirement of the provincial funding, we must secure a non-municipal contribution, such as fundraising.

Due to the BSC requirements and additional costs, the Municipality of Boissevain-Morton and the Boissevain-Morton Parks and Recreation Board have begun fundraising.

We invite you to be a part of the new Boissevain-Morton Aquatic Centre! The new pool will be a major community attraction, bringing more people to Boissevain and contributing to our local economy.

Be a part of this community attraction!
