

# Investing in Recreation

MUNICIPALITY OF  
BOISSEVAIN-MORTON

## NEW POOL CONSTRUCTION

Construction work on the new pool facility has continued over the winter months and great progress continues to be made. Western Recreation has been busy building and assembling the components of the pool's mechanical system off site in their shop and Parkside Construction has completed the construction of the new mechanical building for the facility. The new tot slide has also arrived for the pool and include stairs up to the slide along with a built-in tunnel. (see photos above). The overall construction progress continues to be on schedule and on budget, and crews are looking forward to warmer temperatures and upcoming project milestones.

## NEW CAMPGROUND WASHROOM & SHOWER FACILITY

The new washroom and shower building for the Boissevain Lions Campground has been constructed. This centrally located building within the campground includes universal and accessible/family washroom and shower units. Special thanks to our local crews and

contractors involved who have been working diligently over the winter months to ensure this building will be complete for the opening of the camping season in May 2023.

## COMMUNITY DONOR WALL & CORPORATE SPONSORSHIPS - LAST CALL

A very special thanks to everyone who has extended their support for the new pool facility through the Corporate Sponsorship program and the Donor Wall. If you have not yet donated but would like to extend your support you still can—contact the Municipal Office today to learn more and become a part of the legacy for this new community facility. The Donor Wall campaign is open to everyone and contribution levels range from \$100 - \$1500 & up. Anyone that has donated already or makes a new donation to the Donor Wall will be entered into a special draw for a 2023 Season Pass to the new pool! The deadline to sign up is April 14 Please call 204-534-2433 or email [admin@boissevain.ca](mailto:admin@boissevain.ca).

## EMPLOYMENT OPPORTUNITIES

With the new pool facility, attractive amenities, and increased capacity, the Municipality will be seeking an increase in summer staff for the facility including lifeguards/instructors and pool/campground front desk. Competitive wages and a great way to spend your summer! To learn more contact Wendy Giesbrecht at 204-534-6472 or [bmrec@boissevain.ca](mailto:bmrec@boissevain.ca).
