Re: BOIL WATER ADVISORY ISSUED TO THE BOISSEVIAN PUBLIC WATER SYSTEM

Dear Leo Poulin,

Drinking Water Officer, Nancy Fitzgerald has advised me that the Boissevain water system has met all conditions for rescinding the boil water advisory and that bacteriological testing results meet regulatory standards.

I am therefore rescinding the boil water advisory that was placed on the Boissevain water system on April 17, 2023.

Please ensure all water users are notified that the advisory has been rescinded and that normal water usage can be resumed. A copy of this letter can be provided as notification. Notices posted in public locations such as washrooms are to be removed.

Should you have any questions, please contact Nancy Fitzgerald, Regional Drinking Water Officer at 204-724-0685.

Sincerely,

Dr. Amy Frykoda
