

Women in Business Connecting

1-Day Conference

Networking. Learning. Connecting.

About Us

Boissevain & Area Women in Business Connecting is a grassroots initiative formed by a local group of business women passionate about providing opportunities for women in business to network, share ideas, and learn from each other with insight and professional development.

We are pleased to be able to host this inaugural conference for women in business in the Turtle Mountain region.

Why Attend?

The Women in Business Connecting Conference is an opportunity for to increase your knowledge, stay current on trends and best practices, enhance professional development, and build your personal network with like-minded business women.

"The WIBC Conference provides incredible insight and value from an array of remarkable professional business women to share their knowledge and experience, and bring them together here in our own backyard for us to learn from--I can't wait!
-Megan Hamilton, small business owner
